UNDER DEVELOPMENT

Intention Statement

It is our intent at Bishop Henderson Primary School to provide all of our children with a high-quality education in Modern Foreign Languages, which develops their love of learning about other languages and cultures and helps provide them with an understanding of the world. Our current MFL taught is French, however we strive to provide children with opportunities to experience a range of other languages. We aim to build the children's 'cultural capital' so that they have a knowledge and understanding of the richness and diversity between cultures.
