PLEASE KEEP THIS INFORMATION IN A SAFE PLACE!

SEVERE & EXTREME WEATHER CONDITIONS

Dear Parents

I am sending you this reminder of the arrangements made with regard to the closure of school due to very inclement weather. They are designed to ensure that parents can obtain advance information of a closure, while at the same time ensuring that the children reach home safely if they leave school before 3.10pm.

The arrangements are as follows:

1. On mornings, following heavy overnight snow, information regarding the closure of schools in Somerset is normally broadcast on a number of local frequencies and web sites. Please check the school website first www.bishophenderson.co.uk before checking the radio stations and BBC listed below :

Radio Bristol † 94.9FM † 104.6FM (6.55am – 9:00am)

Somerset Sound 95.5FM † 1566MW (6.55 – 9.00am)

Orchard FM 102.6 FM or 97.1 FM

www.bbc.co.uk search – School closures – Somerset

2. Members of staff who live in the village have agreed to act as "Information Centre's" in the event of extreme weather conditions. They will always be told immediately if a decision to close the school has been taken and should be contacted if you are unsure if the school will be able to open following a heavy overnight snowfall or other severe weather.

Please wait until 8.00am before making your phone call.

Mrs N Tasker	Tel: 812 704
Mrs S Chalk	Tel: 813 307

3. Every effort will be made to inform individual families if the school is forced to close during the normal school day, and it will be helpful if your children know where they should go if you are planning to be away from home at any time during a day when snow is forecast.

Yours sincerely

Tp Scott
