- The first aider or Paediatric First Aider will also decide whether the injured person should be moved or placed in a recovery position
- If Paediatric First Aider or First Aider judges that a pupil is too unwell to remain in school, parents will be contacted and asked to collect their child. Upon their arrival, the first aider will recommend next steps to the parents. A member of the SLT will be informed.
- If emergency services are called, the Office Team or a member of SLT will contact parents immediately
- The first aider/relevant member of staff will complete an accident report form on the same day or as soon as is reasonably practical after an incident resulting in an injury

There will be at least 1 person who has a current paediatric first aid (PFA) certificate on the premises at all times.
